

19th Annual Cornerstone Learning Community Spring Fundraiser
Saturday, February 23, 2019 | GFWC Woman's Club of Tallahassee

Donor Packet

At Cornerstone Learning Community, our aim is nothing short of positively impacting the world. Our mission to inspire and empower compassionate global learners informs everything we do.

Our PreK – 8th grade education is the local leader in project-based learning, service endeavors, and environmental education. This begins with our youngest learners who participate in indoor and outdoor classroom activities, as well as in an inter-generational music therapy program in partnership with the Alzheimer's Project – one of only a few such programs in the nation.

As students get older they advocate as engaged citizens, engineer solutions to complex problems, create inspired works of music and art, and make connections between our partner farm and the dinner table. In all such situations, our empowered and compassionate learners influence our world in real and meaningful ways.

As an International Baccalaureate Authorized World School, our middle school students engage in projects within a global context, extending their reach, potential, and sense of responsibility. Students graduate as capable and caring critical thinkers who create, collaborate, and innovate.

Our annual spring fundraiser helps to make this world-class opportunity available to a diverse range of families by funding our scholarship program, seeding new initiatives, and sustaining essential programs.

About CLC and Our Event:

100% of the funds raised

directly support the financial assistance and academic enrichment programs at CLC.

Over \$25,000 was raised

at last year's fundraiser, benefitting each and every student and, in particular, making a HUGE difference for students who receive need-based scholarships from CLC.

CLC is the local leader

in community service endeavors from our youngest learners all the way up to our parents and staff.

Over 25% of our students

receive need-based financial assistance. Proceeds from this event help make this possible. These funds enable students who would otherwise be unable to experience an independent school and all that it offers.

A more diverse

range of families are able to attend CLC, strengthening our mission and enriching the lives and experiences of each individual student and our entire school community.

As an Event Sponsor, you will:

Gain Direct Event Exposure

to **over 200 attendees** the night of the event.

Gain Social Media Exposure

to over **800 members** of the CLC community.*

** based on sponsor level*

Showcase Your Product or Company

directly to individuals who have proven themselves **loyal patrons** of businesses who support CLC.

Support an Organization

that makes a difference in **our local community** and beyond.

Thank you for your support!

As a sponsor and/or donor to our Spring Fundraiser, you are making a difference at a school that makes a difference. Your contribution impacts students, who in turn impact the world. In short, helping CLC helps others. Your generosity lives on in our broader community through the work of the students influenced by you.

Thank you for your support. We look forward to seeing you and yours on February 23, 2019!

Sincerely,

The 2019 CLC Spring Fundraiser Organizers – springfundraiser@cornerstonelc.com
