

Extended Care Programs

Extended day programs will be billed through the FACTS system as “incidental billing” at the end of the month and are due by the 15th of following month.

Early Morning

You are selecting a FAMILY option. For example the 'Stone Family' has three kids. By selecting the monthly option, they will be charged a monthly charge for each of their three kids or 60+60+60. If the Stone Family opted for Drop In, they would be charged per student checked into Extended Care on that day.

If you need to select different plans for each student, you will need to contact our Business Office ASAP.

Monthly Rate \$60.00

Drop In Rate \$12.00/day

Preschool & Kindergarten Drop off between 7:30am - 9:00am
